**ORDER NO. 1
FINDING APPLICATION DEFICIENT, PROVIDING OPPORTUNITY TO CURE, AND
ESTABLISHING DEADLINES**

This Order addresses the August 15, 2023 application of Motiva Enterprises, LLC for a new self-generator (SG) company registration under 16 Texas Administrative Code (TAC) § 25.109.

On September 13, 2023, Commission Staff filed a notice of deficiency. Commission Staff provided, with specificity, the information needed for Motiva to cure the deficiencies, in accordance with the requirements of 16 TAC § 25.109(c) and (e).

The administrative law judge (ALJ) finds the application deficient for the reasons specified in Commission Staff's September 13, 2023 letter of deficiency. Under 16 TAC § 25.109(g)(1), if the deficiencies are not cured within 20 days, the SG registration application will be rejected, without prejudice to refile.

The ALJ adopts the following procedural schedule for continued processing of the application in this proceeding:

Event	Date
Deadline for applicant to cure deficiencies	October 5, 2023
Deadline for Commission Staff to review supplemented information	October 20, 2023

Signed at Austin, Texas on the 15th day of September 2023.
