This Order addresses the June 17, 2024 request for extension filed by McLennan County Water Control and Improvement District No. 2. The applicant requires additional time to cure the deficiencies in the application.

The administrative law judge (ALJ) grants the extension. By September 27, 2024, the applicant must supplement the application to cure the deficiencies as described in the April 26, 2024 memoranda of Jaspinder Singh and Fred Bednarski III, attached to Commission Staff's supplemental recommendation. By October 28, 2024, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, notice, and a proposed procedural schedule, if appropriate.
