ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE AND ESTABLISHING OPPORTUNITY TO CURE

This Order addresses the sufficiency of the August 16, 2023 application of Guadalupe-Blanco River Authority and Undine Texas Environmental, LLC for approval of the sale, transfer, or merger of facilities and certificate rights in Calhoun County.

On September 18, 2023, Commission Staff filed a recommendation on the sufficiency of the application.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By October 4, 2023, the applicants must cure the deficiencies more fully described in the memorandum of Ethan Blanchard attached to Commission Staff's recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

By October 18, 2023, Commission Staff must file a supplemental recommendation on the administrative completeness of the application and proposed notice, and both the applicants and Commission Staff must file a recommendation regarding how to proceed with the application and propose a procedural schedule.

Signed at Austin, Texas on the 19th day of September 2023.
