ORDER NO. 5
FINDING NOTICE, AS SUPPLEMENTED, SUFFICIENT
AND ESTABLISHING PROCEDURAL SCHEDULE

This Order addresses the sufficiency of notice, as supplemented, provided by Guadalupe-Blanco River Authority and Undine Texas Environmental, LLC (collectively, applicants).

On December 14, 2023, applicants filed (a) the affidavit of Vance Tillman, chief financial officer of Undine, attesting that (a) there are no owners of tracts of land that are at least 25 acres that are wholly or partially included in the area proposed to be certified; and (b) individual notice, along with maps, was provided by first-class mail, to current customers, neighboring utilities, and affected parties on December 4, 2023. Applicants filed the confidential list of recipients that received individual notice. On December 28, 2023, applicants supplemented notice by filing the publishers' affidavit and tear sheets from the *Port Lavaca Wave*, a newspaper of general circulation in Calhoun County, attesting to publication on December 13 and 20, 2023.

On January 18, 2024, Commission Staff filed a recommendation on the sufficiency of notice, as supplemented, and proposed a procedural schedule.

The administrative law judge finds notice, as supplemented, sufficient and establishes the following procedural schedule for the continued processing:
