**COMMISSION STAFF'S SECOND REQUEST FOR EXTENSION**

On August 17, 2023, South Taylor Lake Village Water Supply Corporation (South Taylor Lake Village WSC) and Harris County Water Control and Improvement District No. 50 (Harris County WCID No. 50) (collectively, Applicants) filed an application for the sale, transfer, or merger of facilities (STM) and certificate of convenience and necessity (CNN) rights in Harris County.

On May 15, 2024, the administrative law judge (ALJ) filed Order No. 9, directing the Applicants to file signed consent forms by June 13, 2024 and directing the Staff (Staff) of the Public Utility Commission of Texas (Commission) and the parties to jointly file proposed notice of approval, including findings of fact, conclusions of law, and ordering paragraphs by June 27, 2024. Therefore, this pleading is timely filed.

**I. REQUEST FOR EXTENSION**

Pursuant to 16 Texas Administrative Code (TAC) § 22.4(b), a party may request that the time allowed for filing any documents be extended for good cause. Applicants and Staff needed additional time to confirm accuracy of the provided map for consent, which has subsequently caused a delay in getting the consent forms signed by the appropriate governing bodies of the Applicants. Staff respectfully requests an extension of time until June 27, 2024 for Applicants to file signed consent forms with the Commission and July 11, 2024, to jointly file proposed notice of approval, including findings of fact, conclusions of law, and ordering paragraphs.

**II. CONCLUSION**

For the reasons discussed above, Staff respectfully requests the entry of an order extending Applicants deadline to file signed consent forms with the Commission to June 27, 2024 and the

Parties' deadline to file a joint proposed notice of approval, findings of fact, conclusions of law, and ordering paragraphs to July 11, 2024.

Dated: June 12, 2024

Respectfully submitted,
