PURA Sec. 52.256

January 1, 2023

The following plan is filed to comply with the requirements of the Public Utility Regulatory Act Section 52.256(b) and the Public Utility Commission Project No. 30240 – Compliance Proceeding for Telecommunications Utilities’ Five-Year Plan to Enhance Diversity of its Workforce and Increase Opportunities for Small and Historically Underutilized Businesses. Central Texas Telephone Cooperative, Inc. recognizes the benefits to our customers, our community and our company of having diversity in the workforce and of increasing the amount of business the Company does with small and historically underutilized businesses operating in our community. Central Texas Telephone Cooperative, Inc. is proud of its record to enhance the diversity of our workforce. Over the past several years and given the extent possible in our community, we have seen what we consider to be improved statistics in our workforce numbers and progress in the amount of business Central Texas Telephone Cooperative, Inc. does with small and historically underutilized businesses in our community.

As citizens living and as a business operating within the communities we serve, the management and employees of Central Texas Telephone Cooperative, Inc. continue to seek opportunity to make progress in the areas of diversifying the workforce and utilizing the products and services of small and historically underutilized businesses. However, our commitment to employing and purchasing within the communities we serve when and where possible far outweighs attempting to achieve an improved statistical number in these areas just for reporting purposes.

As a small company, we have and must recognize a fiduciary duty and responsibility to our customers to make good, sound economic policy decisions as well as our community responsibility to purchase goods and services within our own communities when possible. By the very nature of the service area we serve, we are sometimes limited in the local availability of certain equipment and products and must go outside our communities for these mandatory purchases. Therefore, when possible, Central Texas Telephone Cooperative, Inc. contracts with local businesses to provide the goods and services that are available in our communities.
