DOCKET NO. 55403

**APPLICATION OF SHOREWOOD § PUBLIC UTILITY COMMISSION
FOREST WATER SYSTEM FOR A §
CLASS D RATE ADJUSTMENT § OF TEXAS**

**COMMISSION STAFF’S RECOMMENDATION ON ADMINISTRATIVE
COMPLETENESS AND FINAL DISPOSITION**

On August 24, 2023, Shorewood Forest Water System (Applicant) filed an application for a class D rate adjustment under Texas Water Code (TWC) § 13.1872 and 16 Texas Administrative Code (TAC) § 24.49. Applicant holds certificate and convenience and necessity (CCN) number 12371 and indicates there are 100 active water connections.

On September 27, 2023, the administrative law judge (ALJ) filed Order No. 2, directing the Commission Staff (Staff) of the Public Utility Commission of Texas (Commission) to file comments on the administrative completeness of the application by September 29, 2023. Along with Staff comments, Order No. 2 also directed Staff to file a recommendation on final disposition by September 29, 2023. Therefore, this pleading is timely filed.

I. ADMINISTRATIVE COMPLETENESS

Applicant was provided with Staff’s 14-day letter identifying deficiencies in the application. Applicant has failed to address the items in Staff’s 14-day letter. Staff therefore recommends that Applicant be ordered to cure the deficiencies identified in the 14-day letter by October 30, 2023, and Staff be ordered to provide a supplemental recommendation on final disposition by November 14, 2023. If Applicant fails to address the items in Staff’s 14-day letter, Staff will request dismissal of the docket for failure to prosecute the application.

II. CONCLUSION

For the reasons detailed above, Staff recommends that the application be found administratively incomplete, and that Applicant be ordered to file supplemental information to cure the deficiencies in the application by October 30, 2023. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: September 29, 2023

Respectfully submitted,

**PUBLIC UTILITY COMMISSION OF TEXAS
LEGAL DIVISION**
