Wise Electric Cooperative Application for Critical Load Public Safety or Critical Load Industrial Customer (Non-Residential) Status

This application must be completed in order to request the designation of Critical Load public Safety or Critical Load Industrial Customer (Non-Residential) Status.

The criteria for qualification as Critical Load Public Safety or Critical Load Industrial are provided in the Public Utility Commission of Texas Substantive rule 25.497. Designation of critical load does not guarantee an uninterrupted supply of electricity. It is the responsibility of the customer to make arrangements for alternative sources of electric power should a localized outage or load shed event occur.
