RE: Public Workshop on HB 5066

The Public Utility Commission of Texas will hold a public workshop in Midland on December 12 at 11:30 at the University of Texas Permian Basin Engineering Building. The address is 11105 W. Highway 191, Midland TX 79707. The purpose of the workshop is for PUC and ERCOT to hear from operators in the region about the need to expand electrification in the Permian Basin and the unique challenges in the region. This information will help the PUCT and ERCOT in implementing HB 5066. The workshop is open to the public. This information will be of particular interest to oil & gas operators in the region.
