APPLICATION OF MIDWAY WATER \$ PUBLIC UTILITY COMMISSION UTILITIES, INC. FOR A MINOR \$ OF TEXAS

## ORDER NO. 4 FINDING APPLICATION COMPLETE, NOTICE UNNECESSARY, AND ESTABLISHING COMMISSION STAFF DEADLINE

This Order addresses the sufficiency of the November 21, 2023 application of Midway Water Utilities, Inc. for a minor tariff change under 16 Texas Administrative Code § 24.25(b)(2). Midway seeks to change the name of the transfer fee set forth in Midway's water and wastewater tariffs to service initiation fee. Midway also proposes other conforming definitional revisions.

On January 29, 2024, Commission Staff filed recommendations regarding the application and notice.

The administrative law judge (ALJ) finds the application administratively complete and notice, under 16 TAC § 24.25(b)(3)(A), unnecessary. Specifically, the minor tariff change does not include an associated increase in the fee, enlargement of the class of customer that pays the fee, or changes to the fundamental nature of the fee.

The ALJ establishes the following procedural schedule for further processing:

Event	Date
Deadline for Commission Staff to request a hearing or file its final	February 20, 2024
recommendation on the application	
Deadline for the applicant to file a response to Commission	February 27, 2024
Staff's final recommendation and request a hearing; alternatively,	
if no contested issues, deadline for the parties to file joint motion	
to admit evidence and a proposed order including findings of fact,	
conclusions of law, and ordering paragraphs	

Signed at Austin, Texas the 12th day of February 2024.
