# Petition to Appeal Rates Established by the City Council

## City of Rockport

PO Box 1058, Rockport, TX 78382

(361) 729-2213

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.

# Petition to Appeal Rates Established by the City Council

City of Rockport

PO Box 1058, Rockport, TX 78382

(361) 729-2213

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.

Petition to Appeal Rates Established by the City Council  
City of Rockport  
PO Box 1058, Rockport, TX 78382  
(361) 729-2213

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.

## Petition to Appeal Rates Established by the City Council

## City of Rockport

PO Box 1058, Rockport, TX 78382

(361) 729-2213

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.

 PO Box 1058, Rockport, TX 78382  
 (361) 729-2213

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.

The undersigned ratepayers of the City of Rockport hereby appeal the decision of the City Council affecting the rates charged to them by the City of Rockport. The rate change was effective on September 15, 2023, and affected the rates charged for water and wastewater utility service. The City Council made its final decision regarding the rates on September 5, 2023. The undersigned request that the Public Utility Commission of Texas review the decision to determine if the rates established are just and reasonable. The old rates charged by the service provider for water are \$29.95 minimum bill plus \$8.16 for each additional 1,000 gallons and the new rates are \$33.06 minimum bill plus \$9.05 for each additional 1,000 gallons. The old rates charged by the service provider for wastewater are \$32.70 minimum bill plus \$5.97 for each additional 1,000 gallons and the new rates are \$36.62 minimum bill plus \$6.69 for each additional 1,000 gallons. The undersigned designate Kathy Kane as their representative on this matter. Correspondence to the ratepayers' representative may be directed to Ms. Kathy Kane, 109 Boardwalk Ave, Rockport TX 78382, 361-450-1478.
