Before me, the undersigned authority, on this day personally appeared the undersigned, who, after being duly sworn, states as follows on behalf of BP Energy Company (BPEC):

1. My name is Edgar Castro. I am the Vice President for BP Energy Company (Certificate No. 10038) which is a Retail Electric Provider (REP) operating in the State of Texas.
2. I hereby attest that no changes were made to the list of emergency contacts within the Emergency Operations Plan (EOP) for CY 2024.
3. I hereby attest that no changes were made to the EOP that materially affect how the BP REPs would respond to an emergency for CY 2024.
4. All relevant operating personnel are familiar with and have received training on the applicable contents and execution of the Emergency Operations Plan (EOP), and such personnel are instructed to follow the applicable portions of the EOP except to the extent deviations are appropriate because of specific circumstances during the course of an emergency.
5. The EOP has been reviewed and approved by the appropriate executives.
6. Drills that test this EOP have been, or will be, conducted to the extent required by Commission rules.
7. The EOP or an appropriate summary shall be distributed to local jurisdictions, as needed.
8. BP maintains a business continuity plan (BCP) that addresses returning to normal operations after disruptions caused by an incident.
9. BP have emergency management personnel who are designated to interact with local, state, and federal emergency management officials during emergency events and who have received, or will receive, the latest IS-100, IS-200, IS-700, and IS-800 National Incident Management System training.
10. I further swear and affirm that all statements and representations made in this report are true and correct to the best of my knowledge.
