COMMISSION STAFF'S INITIAL LIST OF POLRS AND VREPS

I. INTRODUCTION

The Public Utility Commission of Texas (Commission) initiated this proceeding pursuant to PURA § 39.106 and 16 Texas Administrative Code (TAC) § 25.43 to designate providers of last resort (POLR) service for the 2025-2026 term. The rule applies to all retail electric providers (REPs) that are serving retail customers in transmission and distribution utility (TDU) service areas and requires that all REPs provide information to the Commission necessary to establish their eligibility to serve as a POLR for the next term. The following two types of POLR providers are described in 16 TAC § 25.43: voluntary retail electric providers (VREPs) and large service providers (LSPs).

On April 4, 2024, the administrative law judge (ALJ) filed Order No. 1, directing the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file an initial proposed list of LSPs eligible to serve as a POLR, LSP affiliates approved to serve as a POLR, and VREPs by August 30, 2024. Therefore, this pleading is timely filed.

II. INITIAL LIST

Staff provides herein an initial list of POLRs and VREPs for consideration. The memorandum of Kenneth Ford of the Consumer Protection Division is attached, which includes the preliminary list as Attachment 1 and Requests for Designation of Affiliates as Attachment 2 to the memorandum.

Pursuant to 16 TAC § 25.43(h)(3) and (i)(3), Retail Electric Providers (REP) may file challenges to Staff's eligibility determination for an LSP to serve as a POLR, an LSP's affiliate to serve as a POLR, and approved VREPs by September 6, 2024. Such challenges should include additional documentation with the specific data, calculation, and explanation illustrating and

proving the REP's assertion.¹ Challenges to VREP eligibility should include additional evidence of the REPs capability to serve as a VREP.²

Staff will file a recommendation on final disposition on September 18, 2024, both responding to any challenges filed and including a final list of LSPs eligible to serve as POLRs, LSP affiliates approved to serve as POLRs, and approved VREPs. Staff will also file a proposed order on September 19, 2024.

RE: Project 56035 — Designation of Electric Providers of Last Resort for 2025 —
2026 Pursuant to Tex. Admin. Code § 25.43 and Submission of LSP EFLs

Preliminary List of POLR Providers and VREPs

Under 16 Texas Administrative Code (TAC) § 25.43, by October 15 of each even-numbered year, the Commission must select retail electric providers (REPs) that will provide provider of last resort (POLR) service for a two-year term beginning in January of each odd-numbered year. This selection process is provided for areas of the state in which customer choice is in effect in the service areas of the transmission and distribution utilities (TDUs): Oncor Electric Delivery Company (Oncor), CenterPoint Energy Houston Electric LLC (CenterPoint), Texas-New Mexico Power Company (TNMP), and AEP Texas- divided into the former service areas of AEP Texas North Company (AEP North) and AEP Texas Central Company (AEP Central). Eligibility to serve as a POLR is determined according to the process described in 16 TAC § 25.43(g) - (j) that identifies REPs that are eligible to be designated to provide POLR service in designated service areas and voluntary retail electric providers (VREPs), i.e. those REPs that have volunteered to provide POLR service within a specific service area for a specific class of service.

On April 4, 2024, Order No. 1, *Establishing Procedural Schedule* was filed by the administrative law judge (ALJ). Order No. 1 required REPs to file information to establish eligibility to serve as a POLR, and provided that any REP designated as a large service provider (LSP) POLR may request that an affiliate provide POLR service on behalf of the designated REP. Order No. 1 also required REPs to file, by July 31, 2024, any requests if the REP wanted to be considered for eligibility to be designated as a VREP to provide POLR service. Only one REP had filed a request to be designated as a VREP, TXU Energy Retail Company LLC (REP No. 10004).

As a result of the preliminary analysis, Staff has included the following attachments:
(1) Attachment 1 identifies those companies that are eligible to be designated to provide POLR

service to four specific classes of service (Residential, Small Non-Residential, Medium Non-Residential and Large Non-Residential) within five service territories identified above and identifies any REPs that have volunteered to be a POLR within a specific service area for a specific class of service; and (2) Attachment 2 identifies individual REPs designated as an LSP POLR that have requested that an affiliate provide POLR service on behalf of the designated REP. These preliminary findings will be posted to the Commission's website created for this project on August 30, 2024.

Under 16 TAC § 25.43(h)(3) and (i)(3), REPs may challenge their eligibility to be designated as a POLR or VREP within five business days of this notice of eligibility by submitting in this project documentation, calculations and a specific explanation that clearly illustrates and supports the REP's assertion. Staff will accept the challenges and clarifications through Friday, September 6, 2024.

After Staff has investigated any challenges, Staff will designate up to 15 REPs from the eligible list to serve as LSP POLRs for the 2025-2026 term. The final list of designated LSP POLRs and final list of VREPs will be posted to the Commission's website created for this project by September 18, 2024. On July 7, 2016, the Commission issued an order in Project No. 43518 granting Commission Staff's request to delegate authority to Docket Management to approve the final list of REPs that are designated as POLRs in each even-numbered year.

Any questions regarding this preliminary list may be directed to Kenneth Ford at Kenneth.ford@puc.texas.gov.

Requests for Designation of Affiliates

Requests for Designation of Affiliates

Under 16 Texas Administrative Code (TAC) § 25.43(k), an LSP may request that the Commission designate an LSP affiliate to provide POLR service on behalf of the LSP either with the LSP's filing in this project or as a separate item in the current term project under 16 TAC §§ 25.43(h) and (k). Several REPs requested that the Commission designate an affiliate to provide POLR service on their behalf should the REP be designated as an LSP. The REPs listed below made this request:

Fulcrum Retail Energy, LLC (REP Certificate 10081) (Fulcrum Retail)
