**APPLICATION OF AEP TEXAS INC. § BEFORE THE STATE OFFICE
FOR AUTHORITY TO CHANGE § OF
RATES § ADMINISTRATIVE HEARINGS**

**AEP TEXAS INC.'S PETITION FOR REVIEW OF THE
ORDINANCES/RESOLUTIONS OF THE CITIES OF ALICE, BAYSIDE, BENAVIDES,
BENJAMIN, CHILDRESS, FREER, KNOX CITY, MATHIS, MUNDAY, ODEM,
SONORA, AND STAMFORD AND MOTION TO CONSOLIDATE**

AEP Texas Inc. files this petition appealing the rate decisions adopted by the Cities of Alice, Bayside, Benavides, Benjamin, Childress, Freer, Knox City, Mathis, Munday, Odem, Sonora, and Stamford. The appeal of these city ordinances/resolutions are filed pursuant to § 33.051 of the Public Utility Regulatory Act (PURA). In support of this petition and motion, AEP Texas states the following:

I. AEP Texas' Requested Rate Change

On February 29, 2024, AEP Texas filed with the Public Utility Commission of Texas (Commission) a Petition and Statement of Intent to Change Rates within the areas over which the Commission has original jurisdiction. That Petition and Statement of Intent was assigned Docket No. 56165. AEP Texas concurrently filed a Petition and Statement of Intent with each incorporated city having original jurisdiction over its retail rates.

II. Municipal Actions

The table below identifies the municipalities that have adopted ordinances/resolutions denying AEP Texas' requested rate change:

City	Date of Ordinance/Resolution
Alice	3/19/2024
Bayside	3/12/2024
Benavides	3/12/2024
Benjamin	3/14/2024
Childress	3/11/2024

City	Date of Ordinance/Resolution
Freer	3/18/2024
Knox City	3/19/2024
Mathis	3/11/2024
Munday	3/12/2024
Odem	3/5/2024
Sonora	3/18/2024
Stamford	3/4/2024

Copies of the ordinances/resolutions are provided as Attachment A.

III. Jurisdiction

The Commission has jurisdiction over this appeal pursuant to PURA §§ 32.001(b), 33.051, and 33.053.

IV. Motion to Consolidate

AEP Texas requests that its appeal of the ordinances/resolutions of the Cities of Alice, Bayside, Benavides, Benjamin, Childress, Freer, Knox City, Mathis, Munday, Odem, Sonora, and Stamford be consolidated with Docket No. 56165. This appeal involves issues of law and fact common to those involved in Docket No. 56165, and a separate hearing of this appeal and Docket No. 56165 would result in unwarranted expenses, delay, or substantial injustice.

V. Conclusion

For the reasons set forth above, AEP Texas respectfully requests the ALJ enter an order consolidating this appeal of the ordinances/resolutions of the Cities of Alice, Bayside, Benavides, Benjamin, Childress, Freer, Knox City, Mathis, Munday, Odem, Sonora, and Stamford with Docket No. 56165. AEP Texas further respectfully requests that upon final hearing, AEP Texas be granted the rate relief as requested in its Petition and Statement of Intent.

Respectfully submitted,
