RE: May 16, 2024 Open Meeting – Item No. X

Docket No. 56213 – *Settlement Agreement and Report to the Commission Regarding Aqua Texas Inc. 's Violations of TWC §§ 13.135 and 13.136(a) and 16 TAC § 24.165(a)*

A proposed order in the above-referenced docket is posted for consideration and action by the Commission. If the Commission approves the proposed order, I recommend the following change.

The proposed order is correct that Commission Staff and Aqua Texas Inc. stipulated to certain facts in this proceeding. However, the parties filed a joint motion to admit evidence and the evidence was admitted in Order No. 1 in this docket. Therefore, it is appropriate to modify the order to state that the Commission makes certain findings of fact. I recommend that, following the findings of fact header, the order should indicate that the Commission makes the following findings of fact found in the order.

I. Findings of Fact

~~Commission Staff and Aqua stipulated to~~ The Commission makes the following findings of fact.

Additionally, the Commission should delegate to the Office of Policy and Docket Management the authority to modify the order to conform to the Citation and Style Guide for the Public Utility Commission of Texas and to make other non-substantive changes to the order for such matters as capitalization, spelling, grammar, punctuation, style, correction of numbering, and readability.
