RE: Project No. 56276 – *Application of Goat Wind LLC to Amend its Power Generation Company Registration*

### RECOMMENDATION

On February 27, 2024, Goat Wind LLC (Goat Wind or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109. Goat Wind stated that amendment is being filed to report an update in its list of affiliates. The Company's registration number is 20211.

After a review of Goat Wind's application, I have concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(f)(1) by reporting a change in the information reported in response to 16 TAC §25.109 (d)(2) provided on the registration form within 30 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (c)(5). Therefore, I recommend that the Commission grant, Goat Wind LLC's amendment request and the commission records be revised to reflect the updated list of affiliates.
