To Whom It may Concern,

1-3-24

Our Neighborhood as a whole Can Not afford the rate increases in our water. We are already paying ridiculous rates as I only use \$12-\$20 worth of water monthly but with all these extra fees I pay \$100<sup>++</sup> or more monthly! Half the time our water is off always having a problem or water is unsafe to drink! This small neighborhood only has 4 streets and no other option for water, Please Consider us!
