Mayfair South HOA and Howard Ludwig Motion to reverse Alignment of Interveners
Before the State Office of Administrative Hearings

- A. We respectfully request that the SOAH and ALGs reconsider ALIGNING the Interveners in this case, and reverse the decision allowing all to have their voice.
- B. Several of the systems cover large numbers of customers and larger distances that make it extremely inconvenient for the interveners to meet up and consolidate issues.
- C. Even within these systems customers at different areas within the systems have different issues and each deserves to be heard.
- D. True, currently there are over 300 (and growing) Interveners listed, It seems unconscionable that that 300+ Interveners should be reduced to only 15, denying the rest of having their right to participate.

Respectfully submitted

Howard Ludwig and Mayfair South HOA.
