NERRO (except Bayridge and Oaks at Houston Point Subdivision) Intervenor's Objection to Mediation Without Notification

Undine, LLC filed a Request for Mediation with the PUC on May 29, 2025. In their filing, they stated that Counsel for Undine has conferred with the represented parties regarding mediation. Let it be known that Vincent Zinnante, as the designated representative for Nerro Intervenor's' (except Bayridge and Oaks of Houston Point Subdivisions), would like to file a formal objection to this filing as I have never been contacted by anyone regarding mediation. I was never apprised of the concept, the possible dates, nor that mediation be conducted in parallel to the Procedural Schedule. Therefore, I object to Undine, LLC. Counsel's statement that mention the represented parties consenting to their request and timeline. I was not given any time to confer with the intervenors I represent nor did I consent to mediation or the suggested timeline. I would ask the SOAH ALJ postpone any ruling regarding mediation or a timeline until all of the parties involved are notified and an agreement is reached and grant all other relief that we are entitled.
