RE: Project No. 56367, Application of KCE TX 21, LLC to Amend its Power
Generation Company Registration

STAFF RECOMMENDATION

On March 15, 2024, KCE TX 21, LLC (KCE TX 21) filed an amendment to its power generation company (PGC) registration pursuant to 16 Texas Administrative Code (TAC) §25.109. The applicant indicated that an amendment is necessary to reflect an update in its list of its affiliates identified in Part C, Section 8 of the PGC registration form. KCE TX 21's registration number is 20702.

After reviewing KCE TX 21's amendment request, I have concluded that the company has satisfactorily completed the registration requirements for an PGC amendment under 16 TAC §25.109 (f)(1) by reporting a change in the information reported in response to 16 TAC §25.109 (d)(3) provided on the registration form within 30 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (c)(5).

Therefore, I recommend that the Commission grant KCE TX 21's amendment request and the commission records be revised to reflect the amendment.
