**ORDER NO. 6  
WITHDRAWING NOTICE OF HEARING AND RESTYLING DOCKET**

In Order No. 5 filed on July 10, 2024, the administrative law judge (ALJ) notified the parties and the Office of Public Utility Counsel that the Commission had determined that it would hold a hearing to determine if the transaction would serve the public interest.

The ALJ has considered the supplemental filings and determined that a hearing is no longer necessary to determine if the transaction proposed in this application would serve the public interest. The ALJ withdraws the notice of hearing.

Additionally, on August 8, 2024, Commission Staff moved to restyle the docket to reflect that New Water is seeking to obtain a water certificate of convenience and necessity. The ALJ grants the motion and restyles this docket as shown above.
