RE: Project No. 56455 – Gregory Power Partners LLC’s Notice of Intent (NOI) to Apply for the Texas Energy Fund (“TEF”) In-ERCOT Generation Loan Program (NOI ID No. APP-00000127)

To Whom It May Concern:

Pursuant to 16 Tex. Admin. Code 25.510(d)(2) Gregory Power Holdings, LLC (“GPH”), a joint venture between an affiliate of Calpine Corporation (“Calpine”) and an affiliate of Cheniere Energy, Inc. (“Cheniere”), submits this letter to notify the Public Utility Commission of Texas that its subsidiary, Gregory Power Partners LLC, has submitted a notice of intent via the on-line portal to apply for the TEF In-ERCOT Generation Loan Program and has received its NOI ID No. APP-00000127. The requested loan amount will provide financing for up to 60% of the estimated cost of upgrading the existing facilities at the Gregory Power Station via the addition of a new, anticipated 600 MW electric generating facility.

On behalf of its members, Calpine and Cheniere, GPH appreciates the opportunity to add new generation to the ERCOT market enabled by the TEF In-ERCOT Generation Loan Program.
