5. The petitioner, under TWC §§ 13.254 and 13.2541 and 16 TAC § 24.245(h), is required to submit a verified petition through a notarized affidavit, and the CCN holder may submit a response to the petition that must be verified by a notarized affidavit.
6. Under 16 TAC § 24.245(h)(6), the Commission's decision in this proceeding is based on the information submitted by the petitioner, the CCN holder, and Commission Staff.

7. To obtain streamlined expedited release under TWC § 13.2541(b), the petitioner must demonstrate that it owns a tract of land that is at least 25 acres, that the tract of land is located in a qualifying county, and that the tract of land for which the petitioner seeks release is not receiving service of the type that the current CCN holder is authorized to provide under the applicable CCN.

15. The Commission may release only the petitioner's tract of land from CCN number 13201 under TWC § 13.2541(b). The Commission has no authority to decertify any facilities or equipment owned and operated by the holder of CCN number 13201 to provide retail water service through the streamlined-expedited-release process under TWC § 13.2541(b).
16. The Commission processed the petition in accordance with the TWC and Commission rules.

18. A retail public utility may not, under TWC §§ 13.254(d) and 13.2541(a), provide retail water service to the public within the tract of land unless just and adequate compensation under TWC § 13.254(g) has been paid to the holder of CCN number 13201.
