Issue No. 1: Did Prairie Branch Properties, LLC (Developer) submit to Montague County  
for

Approval, and did Montague County Commissioners file for record on July 28,2022, a  
Subdivision Plat documenting and stating that this development (Consisting of 30 Single  
Family Residential Lots) would be provided water service by individual groundwater  
Supply Wells, and not from a public water system?

Issue No. 2: Is Prairie Properties, LLC (Complainants) requesting water service from  
Amon Carter WSC ( ACWSC) as a Developer for a platted subdivision or as an  
individual on a single tract of land ?

Issue No. 3 : Did Complainants , either as a Developer or as an Individual ,  
submit/execute a Non-Standard Service Application (NSSA) in accordance with Section 7  
of the Amon Carter WSC (ACWSC) Tariff , dated May 8,2024 ?

Issue No.4: Has an acceptable NSSA been filed and evaluated by the ACWSC Engineer  
of Record , and has a Non-Standard Service Contract in accordance with section 7.5 of  
the ACWSC Tariff, dated May 8,2024 , been executed between Complainants and  
ACWSC ?

Issue No. 5: Has ACWSC refused to provide water service to Complainants subsequent  
to an acceptable NSSA and a Non-Standard Service Contract being submitted in  
accordance with Section 7.5 of the ACWSC Tariff , dated May 8,2024 ?
