**COMPLAINT OF SARA BLACK

**BEFORE THE STATE OFFICE
OF
ADMINISTRATIVE HEARINGS**

**MOBILE LOAVES & FISHES, INC.'S ERRATA TO
ITS RESPONSES TO
SARA BLACK'S FIRST SET OF REQUESTS FOR INFORMATION**

Mobile Loaves & Fishes, Inc. ("MLF") files these errata to correct specific information reflected in MLF's Responses to Sara Black's First Set of Requests for Information. In its response to RFI No. 1-4, MLF identified units 1141 and 1143 as "Unit Unoccupied." Instead, these units are more accurately described as "Administrative Buildings." Unit 1141 is an administrative building used by MLF, and Unit 1143 is a model home used by MLF for tours by potential Neighbors. However, MLF does not monitor the energy consumption of these units, as the electricity consumed at these units does not affect the calculation of the electricity bills of the units metered by RV-5. As such, Neighbors are not charged or affected by the electricity consumed at these units. The specific errata in MLF's Responses to Sara Black's First Set of Requests for Information are as follows.

RFI NO. 1-4

Provide a copy of the MLF's monthly bill for each individual structure identified in 1-3 above for due December 1, 2024, to March 1, 2025. The bill should show the full utility and rent (if a dwelling unit). Redact out the name of the resident for any structure used as a dwelling unit, if applicable.

REVISED RESPONSE:

MLF has filed an objection to this request to the extent it inquires about the rent and non-electric related billing practices. Subject to and without waiving this objection, MLF answers as follows:
