Re: Docket No. 56665

To Whom It May Concern:

I am a long-time resident of the Cedar Oaks Subdivision. I/We are writing to protest the horrendous raise in water rates charged on the latest bill by Texas Water Utilities, L.P., PO Box 36988, Hoover, Alabama 35236-6988. The overall increase in fees was close to 100% more than the previous month's rates. It is my/our understanding that this rate has not been approved by the PUC and is scheduled to be decided by Docket No. 56665. The previous local water providers raised the rates several times over the last years, but all raises were modest increases. Please reject this rate increase. It could not be more unfair to the residents of this subdivision who have no choice in their water supplier.

Sincerely,

Name: Fortino Alejos
