---	----------------------	---

STATUS REPORT

Texas Water Utilities, L.P. (TWU) files this status report and in support thereof would show as follows:

I. BACKGROUND

On June 24, 2024, TWU filed an application for authority to change rates. On June 20, 2025, TWU, the Office of Public Utility Counsel (OPUC), and the Staff (Staff) of the Public Utility Commission of Texas (Commission) (collectively, the Parties) filed a Status Report, establishing June 27, 2025 as the deadline to either file documents evidencing a settlement agreement or a status report. This status report is therefore timely filed.

II. STATUS REPORT

The Parties need additional time to finalize the documents evidencing the settlement. The Parties will file a settlement agreement or status report no later than July 3, 2025. TWU has conferred with OPUC and Commission Staff and has been authorized to represent that they are in agreement with this status report. TWU attempted to confer with intervenor, Richard Franklin, but has not received a response as of the time of filing.

III. CONCLUSION

Applicants respectfully submit this status report and affirm that the Parties will file a settlement agreement or status report on or before July 3, 2025.

Respectfully submitted,
