<b>APPLICATION OF IMPERIAL POWER</b>	<b>§</b>	<b>PUBLIC UTILITY COMMISSION</b>
<b>PLANT LLC FOR A POWER</b>	<b>§</b>	
<b>GENERATION COMPANY</b>	<b>§</b>	<b>OF TEXAS</b>
<b>REGISTRATION</b>	<b>§</b>	

**NOTICE OF APPROVAL**

This Notice of Approval addresses the May 29, 2024 application of Imperial Power Plant LLC for a power generation company registration under 16 Texas Administrative Code (TAC) § 25.109. The facility being registered is a 147.6-megawatt natural gas facility.

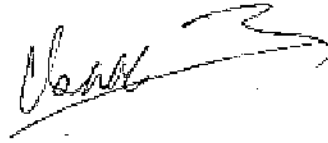

On June 17, 2024, Commission Staff recommended approval of the application.

Imperial Power completed the registration requirements, in satisfaction of 16 TAC § 25.109(c) and (d), by providing, on the Commission's prescribed form, the contact information of the registrant and the registrant's primary and secondary emergency contacts; contact information of the registrant's current regulatory contact; information about each generating facility operated by the registrant; a description of the types of services provided by the registrant that relate to the generation of electricity; an oath or affirmation signed by a representative, official, officer, or other authorized person with binding authority over the registrant; the name of the registrant's corporate parent; a list of affiliates and the registrant's corporate parent identified by name that buy and sell electricity at wholesale in Texas, sell electricity at retail in Texas, or is an electric cooperative or municipally owned utility in Texas; the applicable control number and item number that the registrant has filed its initial Emergency Operations Plan as required under 16 TAC § 25.53; and, as applicable, a copy of the registrant's Federal Energy Regulatory Commission registration as a qualifying facility or exempt wholesale generator.

The Commission issues power generation company registration number 20846 to Imperial Power.

Signed at Austin, Texas on the 21st day of June 2024.
