**RE: Discovery in Docket No. 56715, Complaint of Haseeb Abdullah Against
Reliant Energy Retail Services, LLC**

Dear Administrative Law Judge Ta:

Earlier today, a Joint Motion to Dismiss was filed in the above-referenced docket. In light of that filing and the settlement referenced in that filing, I have conferred with Public Utility Commission of Texas Staff concerning their discovery request dated July 3, 2024. I have been authorized to represent that the discovery responses that were otherwise due today are no longer needed.

Please let us know should you require additional information.

Sincerely,

A handwritten signature in cursive script that reads "Lauren D. Damen".
