RE: **Docket No. 56799**
SOAH Docket No. 473-24-22699 – *Application of Oncor Electric Delivery Company LLC to Amend Its Certificate of Convenience and Necessity for the Reiter Switch-Tesoro 345-kV Transmission Line in Ector and Midland Counties*

DATE: November 6, 2024

On October 21, 2024, I filed a Proposed Order in the above-styled and numbered docket.

On October 29, 2024, Oncor Electric Delivery Company, LLC filed exceptions to the Proposed Order. In its exceptions, Oncor asserts that the Reiter Switch is an existing facility rather than a proposed facility.

After review of the evidence that has been admitted in this proceeding, there does not appear to be any evidence supporting Oncor's assertion that the Reiter Switch is an existing facility. Accordingly, I do not recommend any changes to the Proposed Order in response to Oncor's exceptions.

The Proposed Order remains ready for the Commission's consideration.
