APPLICATION OF CHALK BLUFF	*	PUBLIC UTILITY COMMISSION
WATER SUPPLY CORPORATION TO	*	
AMEND ITS CERTIFICATE OF	*	OF TEXAS
CONVENIENCE AND NECESSITY	*	
AND FOR DUAL CERTIFICATION WITH	*	
THE CITY OF WACO IN MCLENNAN	*	
COUNTY	*	

CHALK BLUFF WATER SUPPLY CORPORATION'S
RESPONSE TO ORDER NO. 6 FINDING THE
APPLICATION REMAINING ADMINISTRATIVELY
INCOMPLETE

TO THE ADMINISTRATIVE LAW JUDGE AND THE COMMISSION STAFF:

Pursuant to Order No. 6 issued by the Public Utility Commission of Texas, Chalk Bluff Water Supply Corporation submits this response and request for additional time to cure deficiencies. This response addresses the issues raised in the Order as follows:

There are items requested in the memoranda of James Harville and Fred Bednarski, III, that are not available at the present time. The first item that requires additional time to respond is the audit of Chalk Bluff's financial records for the year ending December 31, 2023. The auditors have provided a preliminary draft of the audit, but the final version has not yet been supplied. Chalk Bluff, by and through its undersigned counsel, are in discussions with the city of Waco for a dual CCN agreement and mapping issues have not yet been resolved. The corporation is in discussion with Ross WSC and it has been determined that Ross will release a portion of its CCN wherein Chalk Bluff has already placed lines and facilities. Ross Water Supply has engaged counsel to accomplish this objective and they have consulted with the board and Chalk Bluff's counsel. There are no anticipated conflicts with Homestead Heritage on their proposed Halbert Water Supply CCN but there are mapping issues that remain. All of these items will have an effect on the overall mapping of the proposed CCN area.

Accordingly, Chalk Bluff Water Supply Corporation requests to extend time to supplement its application until June 15, 2025, and further requests that deadlines for comments from Commission staff be extended to correspond with its request.

WHEREFORE, PREMISES CONSIDERED. Chalk Bluff Water Supply Corporation respectfully requests that it be given an extension until June 15, 2025, to respond to the Commission staff requests and recommendations, and that the deadlines for staff comments and recommendations be extended accordingly.

Respectfully submitted,
