## **Memorandum**

**TO:** Interested Parties

**FROM:** Connie Corona, Executive Director

**DATE:** July 29, 2024

**RE:** **Project No. 56822**, *Investigation of Emergency Preparedness and Response by Utilities in Houston and Surrounding Communities*

---

On July 22, 2024, I filed a memo outlining the scope, timeline, and milestones of staff's investigation. In that memo, I noted that all documents used to inform the investigation will be filed in Project No. 56822. This will include Requests for Information (RFIs) and RFI responses.

PUCT staff has identified documents in other Commission projects that are relevant to the investigation. In the interest of centralizing these materials in a single repository, staff will begin filing those documents in this project.
