RESPONSE NEEDED BY 10:00 6/9/2025

Intervenors.

Next Friday, 6/13, a hearing will be held on Docket 56824. As you are aware Charles Sparks and I have challenged multiple points and both have confidential status. We will make additional filings prior to 3:00 tomorrow cut-off.

It will be very difficult for many parties to speak on our behalf at the Zoom meeting. Confidential status will be required for many of the discussion points; hence Charles and I have agreed to represent intervenors (as per our 2:00 meeting today).

Charles already has emails confirming this for Glenn Shores.

I need to gain emails (or electronic signatures) from Lakeline Acres, Whispering Ridge and Airport Addition intervenors whom remain active. (Please forgive me if any of the emails are from Glenn Shores, please ignore).

In the attached word document, the following is stated

=====

RE: PUBLIC UTILITY COMMISSION OF TEXAS AGREEMENT AUTHORIZING PATRICK M. CAULEY AS THE INTERVENORS' REPRESENTATIVE FOR THE LAKELINE ACRES, WHISPERING RIDGE AND AIRPORT WATER SYSTEMS

CAULEY as their representative in this Docket and authorize him/her to take any actions on their behalf, including, but not limited to, executing any and all settlement documents and other related documents on behalf of the Intervenors, withdrawing their intervention requests, and removing themselves as parties to this Docket.

=====

If you agree with the above representation agreement, email back to familycauley27@gmail.com the following statement (removing the yellow fields and adding those specifics for you –
