Docket # 53827 Complaint # CP 202 4060 769
At this rate, no food, no showers, no flushing, no washing clothes
Urdine TEXAS, L L C sent a letter stating that
their transaction might change our rates and
services from previous company but at no
time did i realize that it would be so
"Drastic"!! 2000 gallons from \$24 to \$56
which is already a \$32 hike!! At no time
did or could i prepare for a \$110. sewer
charge pump from \$32 to \$110 Not
including trash pick up which would seem
to be the customers choice if that is
the case!! That price is ridiculously insane!!
A monthly bill jumps from \$58 to \$173!!
PLEASE, MAKE IT MAKE SENSE BECAUSE
i hope desperately that something can
be done to lower this price!! Thank you

Helen Elam GOD forbids if
222 E. VASHTI. your usage
Houston, TX 77037 is more per
month!!
