Re: *Texas Energy Fund In-ERCOT Loan Program Reports and Filings*, Project No. 56896 – Aegle Power Application for Texas Energy Funds

I am writing on behalf of NextEra Energy Resources Acquisitions, LLC (NextEra), with respect to an application for funding under the Texas Energy Funds In-ERCOT Loan Program (TEF Program), filed by Aegle Power, LLC in this docket.

Please be advised that NextEra's name was submitted in the Aegle application without NextEra's knowledge or consent. NextEra is not seeking funding as part of the TEF Program, is not participating in the project for which NextEra was named, and hereby requests that NextEra be immediately removed from PUCT records as a sponsor for the Aegle Power project.

Should there be any questions regarding this matter, please contact me.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Mitchell S. Ross". The signature is stylized with a large initial "M" and a long horizontal stroke extending to the right.
