ORDER NO. 3
GRANTING INTERVENTION

This Order addresses the September 17, 2024 motion to intervene filed by Texas Industrial Energy Consumers (TIEC). TIEC presented a justiciable interest that may be adversely affected by the outcome of this proceeding. No party objected to the motion. Accordingly, the administrative law judge grants the motion.

For service of pleadings, the service list in this proceeding is available from the Public Utility Commission of Texas by emailing Docket Management at CADMOOrders@puc.texas.gov and requesting a copy of the service list in Docket No. 56921. **Service of pleadings is typically governed by 16 Texas Administrative Code (TAC) § 22.74. However, the Commission has issued a Second Order Suspending Rules,¹ which has suspended certain service requirements found in 16 TAC § 22.74. Accordingly, a filing party must provide notice by e-mail of any pleading or document filed. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.**

All parties must provide their current address, **e-mail address**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. Each party must provide the Commission and all parties with updated address, **e-mail address**, telephone, and fax information if such information changes. **The e-mail addresses, telephone and fax numbers will be placed on the service list for the convenience of the parties.**

¹ *Issues Related to the State of Disaster for the Coronavirus Disease*, Docket No. 50664, Second Order Suspending Rules (July 16, 2020).

Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.

Filing of pleadings is typically governed by 16 TAC § 22.71. However, the Commission's Second Order Suspending Rules suspended certain filing requirements found in 16 TAC § 22.71. As long as the Second Order Suspending Rules remains in effect, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website (<https://interchange.puc.texas.gov/filer>) and provide notice, by e-mail, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.

The procedural schedule adopted in Order No. 2 remains in effect.

Signed at Austin, Texas on the 1st day of October 2024.
