RE: February 13, 2025 Open Meeting – Item No.2
PUC Docket No. 56954 - *Application of Texas-New Mexico Power Company for Approval of a System Resiliency Plan*

We will be considering TNMP's System Resiliency Plan (SRP) on February 13, 2025. I know I will have some questions regarding TNMP's plan and the settlement agreement and presume other commissioners may also have questions. I therefore request that TNMP have personnel at the open meeting to answer commissioners' questions about this docket. TNMP is invited to make a brief presentation on their plan and settlement agreement that I believe may be helpful in framing our discussion.

I look forward to discussing this matter with you at the open meeting.
