Re: *Application of Oncor Electric Delivery Company LLC to Amend its Distribution Cost Recovery Factor*, Docket No. 56963 – Oncor’s Proposed Corrections to Proposal for Decision

Your Honor:

Although Oncor Electric Delivery Company LLC (“Oncor”) has no exceptions to the Proposal for Decision (“PFD”) in this docket, it respectfully proposes the following correction to ensure consistency with the record evidence and mathematical accuracy:

- Page two of the PFD lists “\$103,518,198 in annual federal income taxes” (emphasis added) as one of the components that make up the requested increase. That dollar amount, however, includes the annual federal income tax amount included in the baseline approved for Docket No. 53601¹ in addition to the requested increase presented in the DCRF Application in this case. Oncor, therefore, recommends that “\$103,518,198” be changed to “**\$34,834,341**” to accurately reflect the record evidence for this component of the requested increase of \$408,745,142. The mathematical support for this correction is shown in column 4, line 4 on Schedule A to the DCRF Application at Bates page 148.

Thank you for your consideration of this proposed correction.

¹ The Docket No. 53601 baseline was approved in *Compliance Filing for Final Order in Docket No. 53601 (Application of Oncor Electric Delivery Company LLC for Authority to Change Rates)*, Docket No. 54817, Order No. 6 (Aug. 8, 2023).
