**I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:**

**Please check one of the following:**

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary.

Please consider following historical land divisions such as fence lines and turnrows

which would provide a less-disruptive route through cattle and farming operations.
