I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

CPS & STEC could use other routes that do not go across Residential Properties. They can go farther down I.H. 37 south, Hwy 281 south or Hwy 16 on state properties which would be a straighter route. Property has been in the family for 75 years and poles would interfere for future development of land.
