I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

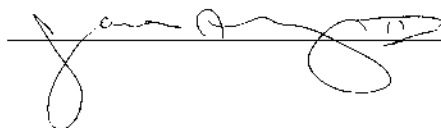

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. We have

cross grazing on our property. We already have AEP power lines + structures
supporting them on our land. I feel that is enough electrical interference for our
area + land we own being used for the power effort. Also the most direct
routes (O thru S + AH) do not include our area.
