Re: PUC Docket No. 57115; SOAH Docket No. 473-25-02531 – Joint Application of CPS Energy and South Texas Electric Coop. (the “Applicants”) to Amend their CCNs for the Proposed Howard Road-to-San Miguel 345 kV Transmission Line in Bexar and Atascosa Counties

Dear Judges Vandrovec and Wright:

I have confirmed with counsel for the Applicants that they do not object to the Motions for Late Intervention and direct testimony of my clients, JJBAK, Ltd. and Dos Mavericks, LLC. No objections have been filed by any parties. Accordingly, I respectfully request that an order be issued granting my clients intervention and admitting their direct testimony.

Respectfully submitted,

/ s / Rene D. Ruiz
