I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

It would make more sense to put the new line adjacent to an existing highway such as Highway 281 or Highway 16. Both of these highways run north and south and would require the disruption of fewer private landowners. My family intends to retire on my property which is potentially affected. I do not want this line on my property.
