II. SPS'S INTEREST

SPS is an electric utility, a public utility, and a utility as those terms are defined in §§ 11.004(1) and 31.002(6) of the Public Utility Regulatory Act ("PURA"). SPS serves retail electric customers in Texas and provides energy efficiency programs under PURA § 39.905 and 16 TAC §§ 25.181 – 25.182.

The proposal seeking a good cause exception to the Commission's energy efficiency rules would impact future revenues that SPS collects from its customers under a future Energy Efficiency Cost Recovery Factor. Therefore, SPS will be directly affected by and has a justiciable interest in the outcome of this proceeding and has standing to intervene.

III. CONCLUSION AND PRAYER FOR RELIEF

For the reasons set forth above, SPS respectfully requests that its Motion to Intervene be granted, that it be granted party status in this proceeding, and that it be granted any other relief to which it may be justly entitled.

Respectfully submitted,
