Docket No. 57231

March 18, 2025

**Subject:** Interchange Filing Item 20 pdf document – File Stamp: 3/4/2025

In response to the final paragraph in the subject document signed by Administrative Law Judge Yoon, I note the correspondence I uploaded to the Interchange Filing was specific to errors I found in the Notice for Publication in the December 21 - 22, 2024 issue of the Herald Zeitung newspaper.

The error regarding the address where maps illustrating the locations of Requested Areas 1 and 2 could be obtained has been resolved in the Notice of Publication found in the March 12, 2025 issue of the Herald -Zeitung.

The errors regarding general compass bearings and distances from downtown New Braunfels for Requested Areas 1 and 2 have not been corrected in the March 12, 2025 issue of the Herald -Zeitung so remain factually incorrect.

I do not intend to intervene in this proceeding regarding the errors.
