RE: Project 57426 – ADAD permit renewal. This ADAD permit renewal has been received and processed.

The permit number is 220013. The permit expires on **June 28, 2026**. Submit your renewal approximately 90 days prior to your expiration date.

Title 16 Texas Administrative Code (TAC) §26.125(d)(2) requires that the PUC receive your renewal application and payment no later than 90 days prior to the expiration date of the permit. Your permit must be renewed each year at the cost of \$15. **Any permit renewal not processed, and the renewal approved by the permit expiration date could be declared expired and invalid, requiring a new permit application and establishing a new renewal date. Please mark your calendar. YOU WILL NOT GET A REMINDER FROM US!** Renewal information is posted on the Commission's web site under Industry – Communications – Registration & Reporting: ADAD - Automatic Dial Announcing Device - Permits. You are advised to monitor the PUC site for any changes in the rules, required form, and permit renewal process.

Required notification of ADAD telephone number(s) or physical address changes

Under 16 TAC §26.125(d)(2), an ADAD permit holder is required to notify the commission by certified mail, in the format required, of telephone number or physical address changes no later than 48 hours before the hour at which the ADAD will begin operation with the new telephone number(s) or new address. **Required format:** Provide an original copy of the description of each ADAD (Part B - ADAD Information) and 1 excel spreadsheet as described in Part B-3. Mail to the PUC, attention Central Records, for filing in the project number above for permit renewals.

Consumer No-Call Lists

Chapter 43, or the Texas Telemarketing Disclosure and Privacy Act (TTDPA) of the Texas Business and Commerce Code addresses the statewide Texas no-call list. The TTDPA states that a telemarketer may not make a telemarketing call more than 60 days after a telephone number appears on the then-current Texas no-call list. The Texas no-call list will be updated and published quarterly each year. To sign up for and purchase the no-call lists, contact Texas No Call, P.O. Box 313, E. Walpole, MA 02032, or call 1-888-309-0600, or visit website texasnocall.com. Fees per quarter are: (1) statewide Texas no-call list - \$150; (2) electric no-call list - \$150; and (3) geographically exclusive no-call list - \$150. Texas does not currently provide the National Do Not Call Registry with the Texas No Call list. Therefore, telemarketers must subscribe to the National Do Not Call Registry by calling toll-free, 1-888-382-1222 (TTY 1-866-290-4236), or visiting their website <http://www.donotcall.gov>.

Failure to comply with all requirements of law applicable to an operator of ADADs and telemarketers or telephone solicitors could result in administrative penalties. You may wish to review the Public Utility Regulatory Act, TEX. UTIL. CODE Ann. §§ 55.121-55.138, Texas Telemarketing Disclosure and Privacy Act, TEX. BUS. & COM. CODE §§ 43.001-43.253, and TAC §26.125. Copies of PURA and the Commission's rules may be purchased from Central Records by calling (512) 936-7180 or downloaded from the Commission's web site: <http://www.puc.state.tx.us/agency/rulesnlaws/subrules/telecom/Telecom.aspx>.
