RE: Void Item #2 in Control Number 57468

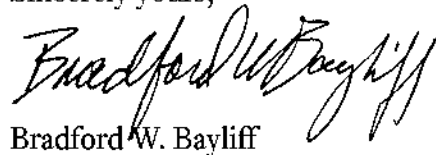

Dear Sir or Madam:

One of your analysts brought to my attention that we incorrectly entered a control number for an Interchange system filing last week. We apologize for the inconvenience.

Item #2 in Control Number 57468 was filed in error in that docket. The correct control number was 57648; the pleading had the correct docket number but it was filed in the wrong control number. We subsequently filed the pleading in the correct docket.

We now only need to ask for Central Records to void Item #2 in Control Number 57468. Thank you for your help with this request.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Bradford W. Bayliff", written in a cursive style.
