**ORDER NO. 2
FINDING INFORMAL RESOLUTION REQUIREMENTS WERE MET AND
REFERRAL TO STATE OFFICE OF ADMINISTRATIVE HEARINGS**

This Order addresses the January 21, 2025 complaint of Mati Anguita against Ambit Texas LLC regarding electric service under 16 Texas Administrative Code (TAC) § 22.242.

On February 14, 2025 Commission Staff filed a statement of position in which it recommended that Mati Anguita be found to have complied with the informal resolution requirements under 16 TAC § 22.242(c). Accordingly, the administrative law judge (ALJ) finds that Ms. Anguita has satisfied the informal resolution requirements under 16 TAC § 22.242(c), and the complaint is not required to satisfy the requirements of 16 TAC § 22.242(e)(1).

Commission Staff requested time for discovery before this matter is referred to the State Office of Administrative Hearings (SOAH). However, there is no outstanding request for referral to SOAH.

Therefore, by March 31, 2025, Commission Staff must file a proposed procedural schedule and any party may request referral to SOAH.

Signed at Austin, Texas the 14th day of February 2025.
