All pleadings and other documents should be served upon Enchanted Rock’s authorized representatives.

2. Enchanted Rock is a Houston-based microgrid developer, owner, and operator with over 300 dual-purpose microgrids throughout Texas.

3. On January 31, 2025, CenterPoint Energy Houston Electric, LLC ("CenterPoint") filed an application for approval of its 2026-2028 Transmission and Distribution System Resiliency Plan ("Resiliency Plan").
4. Enchanted Rock owns and operates generation facilities within the CenterPoint service region and will therefore be impacted by any determination the Commission may make regarding CenterPoint's application. Accordingly, Enchanted Rock has a justiciable interest in this proceeding and should be granted intervenor status.
5. Given the unique and specialized nature of our focus, no other entity can effectively advocate on our behalf.

For the above stated reasons, Enchanted Rock respectfully requests that the Commission grant this Motion to Intervene and admit Enchanted Rock as an intervenor in this proceeding for all purposes, and for such other relief to which it may be justly entitled.
