4. The term "communication" includes all verbal and written communications (including written records of verbal communications) of every kind, including but not limited to, telephone calls, conferences, letters and all memoranda or other documents concerning the requested item. Where communications are not in writing, provide copies of all

INSTRUCTIONS

1. If any RFI appears confusing, please request clarification from the undersigned counsel.
2. In providing your responses, please start each response on a separate page and type, at the top of the page, the RFI that is being answered.
3. As part of the response to each RFI, please state, at the bottom of the answer, the name and job position of each person who participated in any way, other than providing clerical assistance, in the preparing of the answer. If the RFI has sub-parts, please identify the person or persons by sub-part. Please also state the name of the witness in this docket who will sponsor the answer to the RFI and who can vouch for the truth of the answer. If the RFI has sub-parts, please identify the witness or witnesses by sub-part.
4. Rather than waiting to provide all of the responses at the same time, please provide individual responses as each becomes available.
5. If CenterPoint considers any RFI to be unduly burdensome, or if the response would require the production of a voluminous amount of material, please call the undersigned counsel as soon as possible in order to discuss the situation and to try to resolve the problem. Likewise, if CenterPoint objects to any of the RFIs on the grounds that the RFI seeks

proprietary information, or on any other grounds, please call the undersigned counsel as soon as possible.

6. If any document is withheld under any claim of privilege, please furnish a list identifying each document for which a privilege is claimed, together with the following information: date, sender, recipients, recipients of copies, subject matter of the document, and the basis upon which such privilege is claimed.
7. These requests shall be deemed continuing so as to require further and supplemental responses if CenterPoint receives or generates additional information within the scope of these requests between the time of the original response and the time of the hearings.

Respectfully submitted,
